

#CareerTechOhio

Ready for **careers**. Ready for **college**.
Skills for a **lifetime**.

Each Child, Our Future, Ohio's strategic plan for education, provides an aligned goal that reflects student success one year after completing a high-quality and supportive preK-12 education experience.

One Goal

Ohio will increase annually the percentage of its high school graduates who, one year after graduation, are:

- Enrolled and succeeding in a post-high school learning experience, including an adult career-technical education program, an apprenticeship and/or a two-year or four-year college program;
- Serving in a military branch;
- Earning a living wage; or
- Engaged in a meaningful, self-sustaining vocation.

#CareerTechOhio is for everyone!

*Class of 2021 state of Ohio graduation rate was 87.2% (reportcard.education.ohio.gov)

DID YOU KNOW?

A **concentrator** is a student who has completed at least two courses in a single approved career-technical education program or program of study. For a student to have completed a course, the student must have been enrolled for at least 90 percent of the scheduled hours and/or earned full or partial credit in a state-approved career-technical education workforce development course (curriculum element VT, VP, VN (JTC), PS), including job training programs.

#CareerTechOhio students are enrolled in these **16 career fields**:
